**Comments:**

A signed Small Entity statement is not included. Per telephone conversation with USPTO, it is not needed despite the wording of the demoFeeDII popup box: "A small entity statement should be provided..." seen when the Fee Transmittal form is closed. It would be helpful if the No Publish request form per 35USC122b were included in the EPAVE available forms and linked to the Fee Transmittal calculation. It would be helpful to have a help or pdf file listing the EPAVE and PASAT versions and showing showing what recent legislation or regulations each reflects. The current software appears need updates to be in sync with the latest regulations, which is confusing.
